Day 1 - November 4

Day 2 - November 5

Day 3 - November 7

Day 4 - November 8

Parallel Sessions **(Sitting: 1)**

G13 - The Spread of Farming and Herding in Different Parts of the Globe

Session Organisers: Joaquim Fort

Category: Domestication / Subsistence Economy

Session Abstract:

This session is devoted to analyzing the spread of farming and herding in different regions of the Earth. We have two main aims. The first one is to cover specific case studies, from several world areas. The second aim is to pave the ground in order to perform
